

ADRIANA HOYOS
HOSPITALITY

UPHOLSTERY | CASEGOODS
2023

Founded in 1994, Latin-American born and Miami-based, ADRIANA HOYOS has become an iconic brand known for its glamorous and ergonomic designs. We offer a wide range of solutions for its various clients, having partnered with hospitality brands around the world including resorts, boutique hotels, airports, cruise ships, among others. With manufacturing facilities throughout Latin America, the brand combines the work of highly skilled artisans with high-technology to craft a product portfolio that includes made-to-last casegoods and the finest and detailed upholstery.

CRUISESHIPS

Iconic designs with the highest
quality in perfect harmony for your
commercial spaces.

MANUFACTURING

Manufacturing Facilities
Vertically Integrated

WOOD

Solid wood and plywood boards. Durable, resistant Seike wood. Seike and French Oak decorative veneers are offered.

LACQUER

The lacquer has no post-application odor, emits less environmental pollution, and has high resistance to UV rays.

WOOD STAIN

Non-toxic polyurethane coatings create a finish that enhances the beauty of the wood while offering durability in high-use settings.

FOAM

High-density premium
quality polyurethane
foam. (1.9LB/FT3) density
Test Performed: NFPA 260

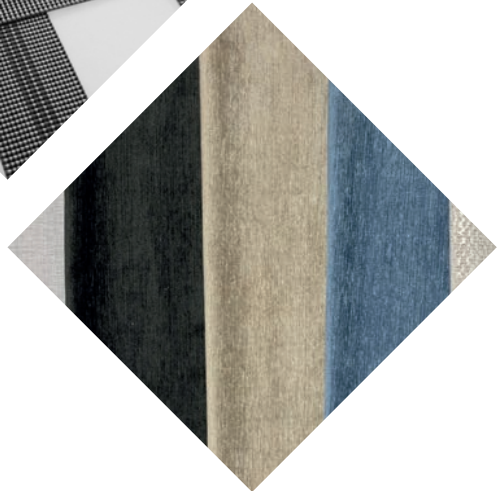

SUSPENSION

Elastic polypropylene
webbing offers long-last-
ing durability and comfort.

FABRICS

Highly durable commercial
fabrics and easy to care
for. Our COM program also
allows you to choose the
textile that best suits your
needs to upholster the fur-
niture frames.

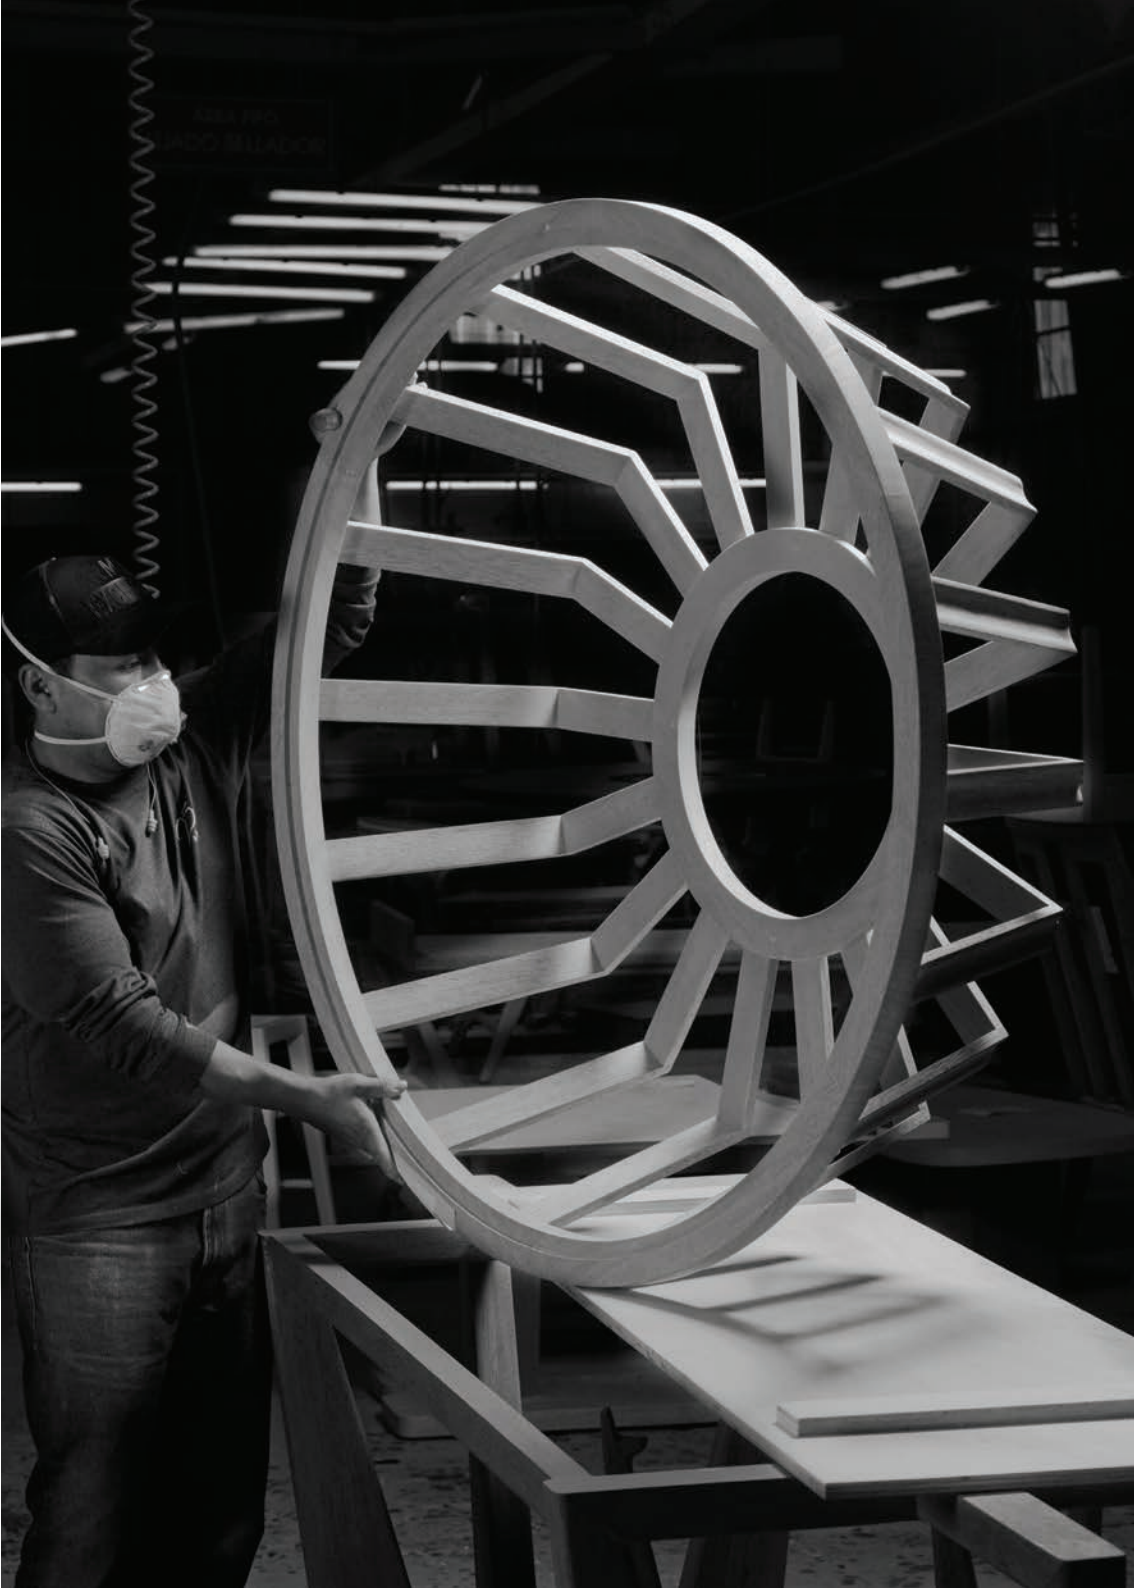

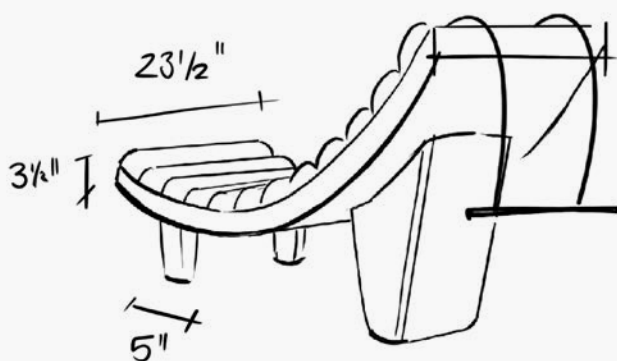

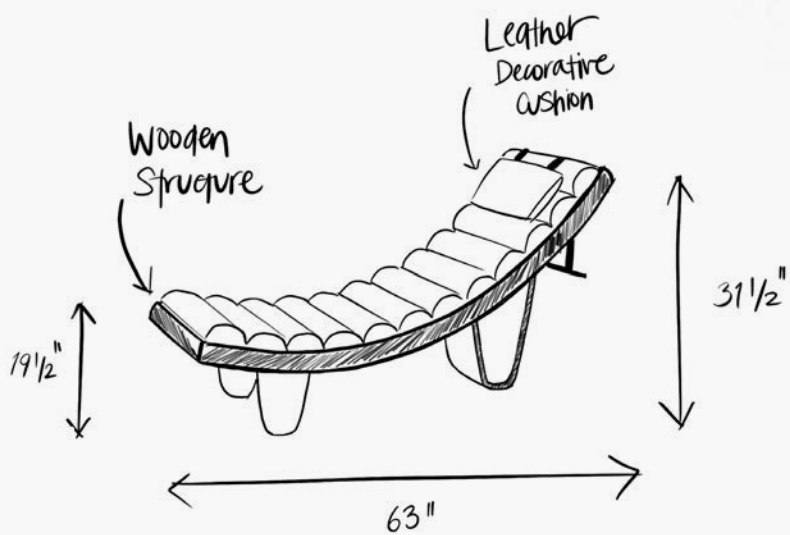

BVLGARI

Pieces that seamlessly integrate and can be customized with various fabrics and finishes. Our quality standards exemplify our furniture pieces and are highlighted by the unmistakable look and feel of effortless luxury.

HANDCRAFTED

VERSATILITY
